

MCAGGC/MCCS BASE ACCESS

Updated 7-25-22

Temporary passes may be issued to persons that wish to access classes offered on base. Day passes will be available to register your child on site, then passes can be issued for the time frame of your class.

Plan ahead!

- Do not call/email a few minutes prior to class. Only authorized person(s) receiving temporary pass may access base.
- Allow for time at the visitor's center to pick up pass.

Individuals requesting base access should have federal-compliant DLs/IDs. If their DLs/IDs have "Federal Limits Apply", "Not for Federal Identification", "Not for Federal Purposes", Not For Federal Official Use or similar marking, they will have to present another form of federal identification such as a passport or passport card. Please refer to [MARADMIN 595/18](#) for the complete list of acceptable forms of alternate identification. Also, locally, we can accept either a birth certificate or SSN Card in lieu of the listed forms of ID. If your Drivers license does not indicate REAL ID you may need an additional form of identification such as a Social Security card and/or birth certificate.
