ABOUT ASHLEY

Ashley has participated in competitive gymnastics in Michigan and has multiple years coaching the sport to two year olds to 18 year olds. She is very familiar with the USASG regulations and is looking forward to providing a safe and fun environment while providing care, attention, and learning for children at American Spirit Athletics.

Along with Ashley's love of gymnastics, she is passionate about caring for animals of all sorts and enjoys exploring new wines. She has a desire to make a difference in a community and to use her experiences to assist others. It will be very rewarding for Ashley to be a part of keeping kids active in 29 Palms.
